SEPTEMBER 2022

Empowering Republican women to have an important voice at the political table

Happy Fall Y'all

Fall is approaching and we can feel the crisp mornings and the warm afternoons. It is a reminder that we are getting closer to Election Day; just 52 days till early election, starting Oct. 22nd to Nov. 4th.

Election Day is Nov. 8th. It is time for us to step up and become united behind all our Republican Candidates, regardless of whom we voted for in the primary.

Adam Laxalt and Joe Lombardo need us and our local candidates need volunteers to walk neighborhoods, phone banks, testimonials, meet & greets and Poll Watchers.

Sign up through the GOP office with Garrett for a poll watcher class, attend WRW's next luncheon and bring a guest.

It's time to be bold, stand up for the truth and speak out with your voice and your vote. It's up to us to make a difference.

Meet our new 1st Vice President!

Meet our new, official 1st VP- Kim Bacchus! Voted in by the board last June. Kim is no stranger to WRW and jumped right in to our events! Kim balances her time between fun with her three granddaughters and very active involvement in Republican politics. She has been active in the WCRCC, the NvFRW, and her local club, WRW. She has represented her party as a delegate at the national level, served as Chairman of the Republican Women of Northern Nevada PAC (RWNN PAC). Kim worked as a Triage nurse in Madison, WI until she moved to Reno with her neurologist husband, Malcolm, in 1980.

Ladies for Laxalt Launch

Adam Laxalt officially launched the Ladies for Laxalt Campaign last week in Reno with **26 WRW women** attending the kick-off event in Reno. The event included a panel discussion by Jaime Laxalt, Cindy Carano, and Patty Cafferata as well as Ted Cruz's wife, Heidi Cruz.

We women are a powerful force... we know it's time for a change... and we'll work to make it happen. WRW women were the largest contingent in attendance! Well done!

WRW Rocks The Basque Fry!

Once again, the members and friends of WRW were Rock Stars at the Corley Ranch in Gardnerville for the 7th Annual Basque Fry! Over **40 women and men** of our club came out in force to celebrate and meet the challenge of Making Nevada RED Again! That's almost half of our total membership! Impressive and expressive to show our support for such an awesome

line-up of amazing speakers! Way to go WRW!! Let's get Laxalt and Lombardo elected! Everyone... EVERYONE can do a small part to make a mighty tidal wave! See you all at the

WRW Wednesday Night Phone Bank Bash for Lombardo at his campaign headquarters, 4-6pm. It's fun and super easy with Sidekick!

Contact Alex Bacchus at alex@joelombardofornv.com. See y'all there!

WRW Rides Again for Joe Lombardo

Once again, members and supporters were out walking neighborhoods, covering the phone, and making connections for our next Nevada Governor, Joe Lombardo! It "takes a village" folks, to achieve this election win. Wednesday nights, 4-6pm, and Saturday mornings are our time to push this election over the finish line. Let's do it!

LADIES FOR LAXALT TESTIMONIAL CAMPAIGN!

WRW members & supporters have started a grassroots campaign to get the word out in support of Adam Laxalt with personal testimonials of support. Pictured are Secretary Stephanie Hanzlik, President Glenda Gilmore, and Caring for America Chairperson Tee Rogers. These 30-second videos are fun and PRICELESS to de-bunk the false claims by Cortez-Masto.

If interested, contact Steph Hanzlik at sthanzlik@gmail.com or 760-614-0156. Join us! Here is Tee's testimonial:

"Hello, my name is Tomoko and I'm a registered voter in Nevada. I've seen the ads run by Katherine Cortez-Masto which are dishonest. The Washington Post gave her 6 Pinocchio's for honesty in her campaign. Adam Laxalt is an honest family man who puts Nevadans first. I'm voting for Adam Laxalt for U.S. Senate. You should too."

Cortez-Masto's Ads Designed to Deceive Voters..... Again!

"Masto's ads are designed to deceive voters. As Nevada Attorney General, Adam Laxalt took aggressive legal action against many opioid manufacturers and distributors, and he prioritized a legal strategy that was most likely to succeed in securing justice for the victims of the opioid industry. He did this in addition to appointing the state's first ever statewide opioid coordinator, and starting the state's 'Prescription for Addiction' opioid program."

– Courtney Holland, Laxalt for U. S. Senate Communications Director

FOX NEWS REPORT ON AUG 22 BY KARL ROVE, Former White House Deputy Chief of Staff....

"You have to have a positive and optimistic vision that says, 'You know what we've got challenges and here's what I intend to do about 'em.' Some candidates are doing that with some success. Adam Laxalt of Nevada came to the Texas Border. Senator John Fordham arranged for him to talk with a lot of Democratic and elected local officials along the border. They told him what was going on at the border and he went back to Nevada and laid out a plan to help strengthen the Nevada border."

If a candidate gets out there and lays out what their vision is to Mr. and Mrs. Ordinary Citizen...you and I agree; the country is going in the wrong direction, and here's what I'm gonna do to fight inflation, to get the government under control, to get the border secured, to crack-down on crime, to make the values that made America great are respectedthat's the kind of winning message, but you've got to get out there every single day, with a plan to lay it out, and execute that plan."

OK, FELLOW REPUBLICANS.... LET'S GET OUT EVERY SINGLE DAY AND EXECUTE OUR PLAN FOR A RED NEVADA!

We Are Proud Club Girls!

The Republican Women of Reno is happy to introduce The Club Girls! Many of you have already seen our new Club Girl buttons.

What is the Club Girls? The Club Girls is an informal network of all the Women's Republican clubs in Washoe County.

What is the purpose of the Club Girls? The purpose of the Club Girls is to form a cohesive group of like-minded Republicans (men and women) whose goal is to work together for the common good of the Republican Party; i.e., first and foremost, getting Republicans elected. The basic premise is that while we have different clubs of differing sizes that meet on different dates and time of day, our basic principles and objectives are the same. We believe that we clubs can be more effective as a bloc.

What is the origin of the name? The term "Club Girls" was used by someone at several local political meetings and in articles to refer to the members of the women's clubs. We decided to adopt this name and make it our brand, and from that grew the logo that you see above, and the Club Girl buttons.

Who can join the Club Girls? Any member of a Republican club, including male Associates and husbands of women's club members, are welcome to become a Club Girl.

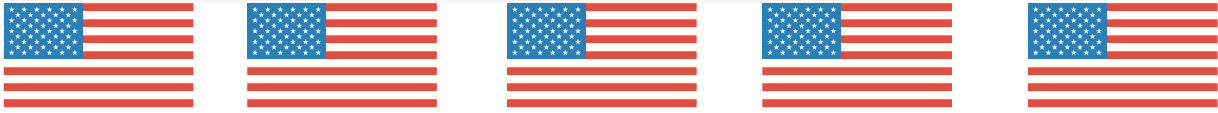

This new network has already been effective in their support as a voting bloc at the last WCRP Central Committee meeting, showing that there is strength in unity. We are off to a good start.

We will be giving out Club Girl buttons at monthly club meetings, club social functions, and rallies. For the buttons we ask only for an optional donation, the proceeds of which go to our Slate Mailer Project. Come see us at the Basque Fry, and "Go Club Girls!" - Kathy Doyle, RWR Club Girl

Barbara Vucanovich Scholarship Update

Andrew has finished Plebe summer. Plebe summer challenged the midshipmen, both mentally and physically. Andrew was up at 5:00 AM every morning and out the door by 5:30 AM for physical fitness training. During the day there were lectures on honor, integrity and what is expected of the naval officer. There were obstacle courses that tested teamwork as well as personal physical strength, sports, like wrestling, boxing periods, swim qualifications, (Andrew really did phenomenal in the pool challenges) sailing, learning how to stand watch, tons of pushups for fun, marching and marching and marching, and so much more. He had to memorize passages while being screamed at to simulate recall under stress. It was a grueling summer, but Andrew thrived. His parents were amazed with his new maturity and beliefs of what was important. The academic year begins August 22, 2022 we will be receiving a new address for Andrew at the end of the month. We can start sending Andrew his CandiO Boxes starting in September. A CandiO box is a package, from family or friends, opened during the Candidate Officer phase of training- usually week 9. Basically, a CandiO box is a personal Navy Care package filled with snacks, photos, and letters of congratulations; decorated inside and out. He so excited to receive anything. Andrew and his parents sent a very special thank you note to WRW after receiving his WRW scholarship that I will share with you all at the next meeting. We will have a basket at WRW monthly meetings that you can drop your items in and then we will send Andrew his CandiO Box every month. Please keep Andrew and his family in your thoughts and prayers. Thank you in advance. WRW members are the best!

Respectfully submitted,
Darlene Rudy

In his very first television ad in 2011, Mark appeared with his mother, Joy. It was a delightful exchange between Joy and Mark regarding Social Security benefits. The Wall Street Journal found the ad thought-provoking enough to run an article on it, including a photo of Mark and Joy. The original article was framed and presented to Congressman Amodei in appreciation for his commitment to the health and welfare of all Nevadans.

STATUE OF LIBERTY

"Give me your tired, your poor,
Your huddled masses yearning to breathe free,
The wretched refuse of your teeming shore;
Send these, the homeless, tempest-tost to me,
I lift my lamp beside the golden door!"

·Plaque on the pedestal of the Statue of Liberty

One of the most famous monuments in American history, the Statue of Liberty was built by France and dedicated in 1886 as a gift of friendship to the United States. Erected on an island in New York Harbor at enormous cost, the 305-foot copper colossus has greeted generations of immigrants arriving in the United States seeking a better life and the promise of freedom.

The statue is placed on Liberty Island, which was named Bedloe's Island until 1956, when the name was officially changed. The statue is based on the Colossus of Rhodes, a giant statue in Greece that was one of the Seven Wonders of the World, before its destruction in an earthquake in 226 B.C.

The same architect who later built the famous Eiffel Tower in Paris, designed Lady Liberty's "skeleton," a system of steel girders that keeps the thin copper shell in place.

A smaller replica stands in Paris.

LABOR DAY
THANK YOU FOR YOUR HARD WORK

In 1882, in NYC, 10,000-20,000 workers took unpaid time off on that day to march to honor the American worker. The parade, was filled with music, flags, and badges, ending with a huge picnic. This peaceful protest caught the attention of legislators and workers alike. By 1885, several states had considered legislation for an official "labor day," and in 1894, Congress declared the first Monday of September a national legal holiday. Today it is still celebrated with picnics, backyard BBQs and local parades, honoring the American worker.
