Youth Outreach Program is Growing!

The Youth Outreach Program has increased in numbers this year, including freshmen in high school to freshmen in college with six schools represented! Retired Lt Col Mike Leonard and former Marine Sgt. Andi Barnes spoke with students in February about their experiences in the military, memorable military moments, and the benefits of discipline, teamwork, and goal-setting. Mike just completed his first book, "An American Combat Bird Dog Pilot" and shared parts of his book's story with students. Each student received a personally autographed copy along with a WRW heart squeezey stress ball, and the book "5000 Year Leap". YOP is open to all high school and college aged students, meeting 3rd Tuesday of the month at Skipolini's at 3pm.

Refreshments provided by WRW.

If interested or have questions, contact Steph Hanzlik at sthanzlik@gmail.com or text her at 760-614-0156.
