All spoke to a packed room and answered many questions from the audience. Melissa Clement, Exec Director for Nevada Right to Life, powerfully urged voters to VOTE NO on the ERA Proposed Amendment to the NV Constitution on the ballot this Fall (called Question 1).

New members were introduced, the upcoming Honor Flights Nevada schedule announced, and donations received for our Wreaths Across America project, led by Melissa Vagujhelyi.

IMPORTANT INFORMATION REPORTING CAMPAIGN HOURS

Thanks to all those members and associates who reported their Campaign hours for July and August. If you have not reported those hours, please add those hours to your September hours and send them as soon as possible.

What you need to report:

1. How many campaign calls made for candidates or get out the vote.
2. How many hours attending the Basque Fry, our July BBQ, and our Luncheons in August and September.
3. Hours that you spent at any candidate event.
4. Include hours for any work you did for the BBQ or the Luncheons or anything related to our club or candidate.
5. You can add hours of travel to events.
6. Hours you spent in meetings of the Nevada Federation Republican Women if they were held during these months.

We are now asking you to report your hours each month. This will make my job easier when I must report them to the National Federation of Republican Women.

You can send your hours to me either by email or text message.

My email is: phyllis.westrup@gmail.com and my cell phone is 714-396-3930.

Thank you for cooperation in this matter. We want to have our club recognized as an active Republican club in Nevada.

Nevada Top-Five Ranked Choice Voting Initiative: We oppose this initiative because it would e opening the top-five primaries and ranked-choice voting for general ons, which would apply to congressional, gubernatorial, state executive offices, and state legislative elections.

Ranked-choice voting entails a much more complicated process and eventually leads to voter disenfranchisement. Voters, do not get the benefit of evaluating candidates as they face-off one-on-one. In Maine, voter confusion was so pervasive that proponents of ranked-choice voting felt the need to publish a 19-page instruction manual to help voters navigate the process.

Proponents of Ranked Choice Voting fail to mention the many documented problems of this failed process. Visit this link and research, Over Voting + Under Voting + Exhausted Choices = Exhausted Ballots. See, Jurisdictions that have repealed Ranked Choice Voting.

Amendments/Initiative

Equal Rights Amendment: **We oppose** this amendment as it would add a new section to the end of Article 1 of the Nevada Constitution that states:

*"Equality of rights under the law shall not be denied or abridged by this State or any of its political subdivisions on account of race, color, creed, **SEX, SEXUAL ORIENTATION, GENDER IDENTITY OR EXPRESSION, AGE, disability, ancestry or national origin.**"*

WHAT WILL THIS AMENDMENT MEAN?

- Allows males to compete in female sports and for scholarships for women and girls.
- Allows minor children to receive puberty blockers or gender change surgery without parental knowledge or consent.
- Forces taxpayers to pay for abortions in Nevada.
- Threatens religious liberty. Will cut funding to faith-based organizations with traditional views on marriage and gender.
- Requires schools, colleges, and other government-owned facilities to allow males in women's bathrooms, showers, and locker rooms risking the safety and privacy of women and girls.
- Could threaten parental rights and age of consent laws putting children at risk of predators.

Nevada Minimum Wage Amendment: Amends the state constitution to:

- increase the minimum wage for all employees in Nevada to \$12 per hour by July 1, 2024;
- remove the existing annual inflation adjustments to the minimum wage; and allow the state legislature to pass a minimum wage law setting the rate higher than the constitutionally mandated minimum.

A **"Yes"** vote would, effective July 1, 2024: (1) add provisions in the Nevada Constitution establishing the State's minimum wage that employers must pay to nonexempt employees at a rate of \$12 per hour worked, subject to any applicable increases above that \$12 rate provided by federal law or enacted by the Legislature; (2) remove the existing provisions in the Nevada Constitution setting different rates for the minimum wage based on whether the employer offers certain health benefits to such employees; and (3) remove the existing provisions in the Nevada Constitution for adjusting the minimum wage based on applicable increases in the cost of living, with caps on the cost-of-living increases for the adjusted rates.

A **"No"** vote would: (1) keep the State's existing minimum wage, subject to any applicable increases or decreases provided by federal law or enacted by the Legislature; (2) keep the existing provisions in the Nevada Constitution setting different rates for the minimum wage based on whether the employer offers certain health benefits to nonexempt employees; and (3) keep the existing provisions in the Nevada Constitution for adjusting the minimum wage based on the greater of applicable increases in the federal minimum wage or applicable increases in the cost of living, with caps on the cost-of-living increases for the adjusted rates.

Lombardo Rally

On September 15, Nevada Trucking Association CEO Paul Enos welcomed Virginia Gov. Glenn Youngkin and Sheriff Joe Lombardo at a rally for gubernatorial candidate Joe Lombardo. Both Youngkin and Lombardo stressed the need for improving our educational standards, parental rights support, crime in Nevada and the economy.

Their messages were well received by the 100+ supporters in attendance. Sheriff Lombardo expressed his sincere appreciation for the Virginia Governor's support and for the supporters' enthusiasm.

As usual, WRW officers and members were represented in force.

THE MOST "NEVADA" WAYS TO CELEBRATE NEVADA DAY

Nevada Day is a legal holiday in the state of Nevada in the United States. It commemorates the state's October 31, 1864, admission to the Union, to remind the citizens how and when Nevada became a State. The first known observance of Nevada Day (originally known as Admission Day) was by the Pacific Coast Pioneer society during the 1870s. Nevada is the only state to continually celebrate our historical entry into the Union and that makes us unique. (Nevada Day, 2022)

The great state of Nevada will celebrate its 157th birthday on October 31 and we have plenty of ways for you to join in the fun! Get inspired to help the Silver State ring in another great year of statehood! (Things to do on Nevada Day, n.d.)

Get inspired to celebrate all things Nevada, whether you're Battle Born or just passing through! Your Nevada Day Must-Do List

- Attend the Nevada Day Parade in Carson City on Saturday, October 30. The day-long celebration also includes a hot air balloon launch, fun run and other festivities.
- Plan a road trip to the Black Rock Desert via the Burner Byway.
- Raise a glass and celebrate Nevada at 1864 Tavern, named in honor of the Silver State's statehood.
- Soak in one of our many hot springs (we have more than any other state) ... remember, the fun is in the hunt so no geotagging!
- Take a step back in time as you stroll the wooden sidewalks in Virginia City, home of the Comstock Lode.
- Raise a glass in the spirit of Nevada's pioneering spirit with a can of Battle Born Beer.
- Explore the state's history in the state capital, Carson City.
- Spend the afternoon at Lake Tahoe – hike to a viewpoint or get on the water via kayak or stand-up paddleboard.
- Have an "only in Nevada" meal – try traditional Basque food at Louis' Basque Corner (don't forget the Picon Punch)
- Cheer on the Nevada Wolfpack as they battle the UNLV Rebels for the Fremont Cannon in Mackay Stadium. (Things to do on Nevada Day, n.d.)

Phyllis Westrup WRW Member for 11 Years!

My husband and I moved to Nevada in 2005. It wasn't long before we became involved in Nevada politics. We began working with Sharron Angle and her "lick and stick" group where we did mailings and helped in her campaigns. When she ran in 2010 against Harry Reid for the U.S. Senate, I was the manager of her campaign office in Reno. After Sharron's failed run the Senate, she encouraged us to get involved with the County Republican Party and the Nevada Republican Assembly.

With that encouragement from Sharron and others, in April of 2011 I ran for Secretary of the Washoe County Central Committee. It was that same year that I joined Washoe Republican Women. I was secretary of the County party until April of 2013 and again from 2017 until October of 2021 when I resigned. In 2016, I organized the Caucus for all of Washoe County and was the Credentials Chairman for the County Convention. I was a member of the Nevada Republican Central Committee for all the years I was involved with the County Party. I also became involved with the Nevada Republican Assembly serving 2 terms as their National Committeewoman and one term as their Membership Secretary.

Regarding Washoe Republican Women, I did the Newsletter for several years and served as First Vice President twice. Currently I am serving as the Campaign Chairman reporting our campaign hours to the National Federation of Republican Women.

For the Nevada Federation of Republican Women, I served one term as the Northern Director and one term as the Secretary.

It has been my pleasure to be a member of Washoe Republican Women and to serve Republicans in all these capacities. The Republican women in Washoe County are wonderful, hard-working women. I have made many friends and I intend to keep on being a party of this group.

VOTE! VOTE! VOTE! EARLY! EARLY! EARLY!

Voting EARLY and IN PERSON prevents voter fraud. No one can claim being you if you have already voted. Voting early removes your name from phone lists, mailing lists, door knocking maps. Voting early allows our Republican candidates to concentrate their funds where most needed.

It is ESSENTIAL THAT WE GET OUT TO VOTE. The graph below shows just how close our races are in Nevada. See you at the polls! **EARLY VOTING IS OCTOBER 22nd!**
